Copy of Rel. C. No. 13148/54. P2.(iii). dated 8-6-54. from the Collector of S.Kanara to the Secretary to the Commissioner of Civil Supplies. Madras.

Sub: Establishment - Civil Supplies Staff - S. Kanara District - Retention beyond 30-6-54 - Proposals submitted.

Ref: Govt's Rel. F. 40668/54 dated 24-5-54.

The sanction last accorded in G.O. Ms. No. 1040 Agrl. Dept., dated 5th April 1954 for the retention of the existing Civil Supplies Staff in this district will expire on 30-6-1954. I submit herewith proposals for the further retention of the staff till 31-12-54 or till the need for its retention ceases, whichever is earlier.

Hosdrug Sub Taluk : According to the Food policy of the Govt. for 1954, informal rationing in Hosdrug Sub Taluk will continue during 1954. Consequently, the continuance of the existing staff of 1 T.S.O. 1 Asst. T.S.O, 1 L.D.C. and 2 peons in Hosdrug Sub Taluk is absolutely necessary so long as the informal rationing is in force there. As the existing staff is the minimum required for work connected with informal rationing in the Sub Taluk, there is no scope for any retrenchment.

Derationed areas :- The issue of rice through F.P. Shops in derationed rural areas has since been revived and will be continued till the commencement of the harvest of the main crop. Further, the issue of wheat through Fair Price Shops in rural areas still continues. In the lean months of July to September the opening of more F.P. Shops in derationed rural areas will be necessary to give relief to poor persons and to check the increase in the price of rice. Hence the continuance of the existing C.S. staff in the derationed rural areas, is quite necessary for work connected with running and supervision of Fair Price shops in rural areas and in the ex,statutorily rationed urban areas of Kasargaod and Udipi and Udipi towns and also for work connected with the following items

Effective prevention of smuggling.
Administration of M.R.M.L.O. Order 1951 and Food Grains (Licensing) and Procurement) Order 1952.
Watching of Food situation and taking effective measures to prevent hoarding and to bring down price.
Inspection and Supervision of Fair-Price Shops and verification of identity cards and elimination of bogus cards.

In Kasargaod Taluk, the Asst. T.S.O. has to attend to the reception of foodgrains imported into this district from Outside and to the inspection and supervision of Fair Price Shops in Ex.Statutorily rationed Urban area of Kasargaod in addition to the supervision of Fair Price shops in derationed rural areas etc. Similarly the Asst. T.S.O. Udipi has to attend to the inspection and supervision of Fair Price shops in the ex. statutorily rationed Urban areas of Udipi Town in addition to other items of work. Further in Udipi, Coondapur and Mangalore there are a large number of rice mills and the Asst. T.S.O. have to inspect them frequently and check their accounts in order to prevent mal-practices by the Millers. The Asst T.S.O. Coondapur has in addition to keep a keen watch over the illicit movements of rice to the adjoining states of Bombay and Mysore. In these circumstances, the retention of the existing staff consisting of one Asst. T.S.O. 1 L.D.C. and one peon in each of the four Taluks of Kasargaod, Mangalore, Udipi and Coondapur, which is the minimum staff required for the purpose is absolutely necessary.

Collector's Office, S. Kanara : The existing staff consists of the following :-

(a) Civil Supplies staff : 1 C.S. Tahsildar. one 0
(1)one 1 U.D.C. one for work
2 L.D.Cs. two. 0 under C.S.
1 Typist. Tahsildar.
3 Peons. 0.

(b) Reception staff : 1 Recep. Dy. Tahsildar.
2 L.D.Cs. (1 for executive work and for work under Rec.Dy.Tahsildar).
2 Peons (1 for Rec.Dy. Tahr. and 1 for L.D.C. during executive work).
1 Head Accountant.
1 L.D.C.

The rice contents of the ration has been increased from 4 Oz. to 7 Oz. per adult per day in the Ex. statutorily rationed Urban areas with effect from 9-5-54 and the rice contents of the ration in the informally rationed area of Hosdrug Sub Tk will also be increased from 7 Oz. to 12 Oz. per adult per day shortly. In Order to keep the informal rationing going on in Hosdrug and to maintain supplies for Fair Price shops in the Ex. Statutorily rationed Urban areas and derationed rural areas and for the supply of rice to Admindivi and Malabar groups of Islands, it will be necessary to import not less than 15,000 tons of rice into this district in 1954. As there are no approved wholesalers in this district, the entire stocks to be imported to this district have to be got under the agency system which has thrown additional work on the clerical staff in this office. Further the Board in its Ref. No. 8582-A3-54/23 CS dated 29-5-1954 has ordered that the bill for transport charges subsidy etc payable to the retailers in the ex. statutorily rationed area of Mangalore should be prepared and paid from the Collector's Office. The C.S. Tahsildar has also to attend to work connected with Food Production in addition to the work connected with Civil Supplies. Thus the hands of the entire staff are full and there is no scope for retrenchment.

In the circumstances, I request that the Board may be pleased to move the Govt. for the retention of the entire existing staff as shown in Annex. III till 31-12-1954 or till the necessity for its continuance ceases, whichever is earlier. The usual statistics in the prescribed form are enclosed as Annex. I to III. Statistics regarding the number of currents and other details will be submitted separately.

Establishment - C. S. S. Kanara District - Retention of staff - Further report submitted.

Ref: Bd's Rel. No. F / 45217/54 dated 14-6-54.

Informal rationing is still in force in Hosdrug Sub Taluk, which is a highly deficit area and ration at the rate of 12 Oz.s. of rice per adult per day is being issued there. There are at present 67 Ration shops functioning in this area which is wide and thickly populated and some of these shops are in interior places which are not easily accessible. Further there are 4 Rec. Centres in this Sub Taluk where imported stocks are received and stored on Govt. accounts under Agency system. It is impossible for the Taluk Sully Officer to attend the Reception work as well as inspection and supervision of ration shops without the aid of the post of Asst.T.S.O is absolutely necessary for the proper working of the informal rationing in this area.

Hence the continuance of the post of Asst Taluk Supply Officer
